

Donations and Sponsorship for Durlston

Thank you very much for your interest in donating to Durlston. We are very grateful that you consider Durlston a suitable recipient for your sponsorship.

Durlston is a very special place, and to balance the many different and varied activities, the Durlston management plan provides the policies for the Country Park and National Nature Reserve, some of which, such as the zoning policy are relevant to the sponsorship opportunities we can offer.

We have recently been undertaking resurfacing of the paths, creating of new routes and installation of new viewpoint seating. The provision of a 'shed' for gentle activities, many training opportunities and the rebuilding of miles of dry-stone walls.

We are therefore now looking for sponsorship towards the following items:

Stone Seats in the woodland	Dry-stone Walls	Picnic Tables
Wooden Gates	Plantings for the landscape	Solar panel display
Quarr interpretation panel	Guillemot Cliff camera	New Play feature
